

TJA3 11/11 Meeting Summary

Leader: Abhinay Devapatla

Tasks:

- Eric: Create a draft of the prototype.
- Gram: Look over Domain Model and make finishing touches.
- Muxing: Look over Use Case Diagram and make finishing touches
- Matt: Format and send our questions to the customer

Summary:

This meeting was meant to discuss our progress and plan out the next steps. It was a very short meeting where Abhinay spent the time giving out tasks to people. After each person had their individual tasks (listed above), we briefly discussed what would be the best way to create the prototype. We then said our goodbyes and the meeting ended.
